

Dear Community members

3-22-2013

The Central Board is pleased to announce that the UMJCA has officially signed a contract of sale to purchase the building at 695 Middle Neck road, also known as Shaare Rachamim.

Under the terms of the agreement with the bank, the Mikveh will be reopened to our community once certain necessary repairs are done. We will not have to wait for the closing to begin using our Mikveh.

This is a new milestone for our community, and it has so far been facilitated by a select group of dedicated community members who have committed their time, and have provided a significant portion of the funds needed to purchase this synagogue. However, in order to finally make this long awaited purchase a reality, we will need everyone's commitment and financial support.

The terms of the purchase and much more information regarding this very important undertaking will be coming to you after Passover, including information about a referendum.

Thank you and have a very happy and Kosher Pesach.

Rabbanim

Chief Halachic Rabbi:
Rabbi Eliyahoo Ben Haim

Rabbi Yosef Bitton
Rabbi Mordechay Kohanim
