

The Central Board Presents:

When and where:

This Shabbat, June 22nd

130 Steamboat Road, Great Neck

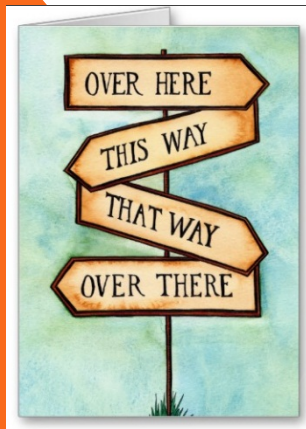

Town Hall Starts @ 1:00 PM

Come and be a part of it

Inform yourself and let us hear your opinion about the attendance and operation of our new Shaare Rachamim synagogue.

It's:

- an opportunity to make things even better
- time to bring new Mashadis to our synagogues
- time to get involved and make it happen

We remain united and will embrace the change together

You owe it to yourself to be there
