The community will elect members of the Central Board and the Boards of community synagogues. The voting will take place at Mashadi Jewish Center – Shaare Shalom Synagogue. Our community has reached its success through unity, perseverance and dedication to community. Each and every one of us has a duty to volunteer at some point in our life, in order to build a better future for our children.

The HaChodesh committee offers a special thank you to all those who volunteer their time and services to better our great community. Best of luck to all those running. We remind all congregants that you are all welcome to volunteer and serve the community at all times. For more information, please contact anybody on the current board.
